17 to the total gross intrastate operating revenues of all public utilities subject to the
18 jurisdiction of the commission, during such calendar years. The commission shall then
19 assess, on behalf of the public counsel, the amount so allocated to each group of public
20 utilities, subject to reduction as provided in this section, to the public utilities in such group
21 in proportion to their respective gross intrastate operating revenues during the preceding
22 calendar year. The total amount so assessed to all such public utilities shall not exceed two
23 hundredths of one percent of the total gross intrastate operating revenues of all utilities
24 subject to the jurisdiction of the commission. Notwithstanding subsection 2 of section
25 386.370 to the contrary, the total assessment for both the public counsel and the
26 commission shall not exceed one-fourth of one percent of the total gross intrastate
27 operating revenues of all utilities subject to the jurisdiction of the commission. Nothing in

32 3. On behalf of the public counsel, the commission shall render a statement of such

36 utility may at its election pay such assessment in four equal installments not later than the
37 following dates next following the rendition of said statement, to wit: July fifteenth,
38 October fifteenth, January fifteenth and April fifteenth. The director of revenue shall
39 remit such payments to the state treasurer.

40 4. The state treasurer shall credit such payments to a special fund, which is hereby
41 created, to be known as "The Public Counsel Fund", which fund, or its successor fund
42 created under section 33.571, RSMo, shall be devoted solely to the payment of expenditures
43 actually incurred by the public counsel and attributable to the regulation of such public
44 utilities subject to the jurisdiction of the commission. Any amount remaining in such
45 special fund or its successor fund at the end of any fiscal year shall not revert to the general
46 revenue fund, but shall be applicable by appropriation of the general assembly to the
47 payment of such expenditures of the public counsel in the succeeding fiscal year and shall
48 be applied by the public counsel to the reduction of the amount to be assessed to such
49 public utilities in such succeeding fiscal year, such reduction to be allocated to each group
50 of public utilities in proportion to the respective gross intrastate operating revenues of the
51 respective groups during the preceding calendar year.

52 **5. In order to enable the public counsel to make the allocations and assessments**
53 **provided for in this section, each public utility subject to the jurisdiction of the commission**
54 **shall file with the commission on or before March thirty-first of each year, a statement**
55 **under oath showing its gross intrastate operating revenues for the preceding calendar year,**
56 **and if any public utility shall fail to file such statement within the time established in this**
57 **subsection, the commission shall estimate such revenue and such estimate shall be binding**
58 **on such public utility for the purpose of this section.**
